Values	Description																												
Arboretum	Space occupied by arboretum plants																												
Block streets	Space occupied by the street network																												
Bridge streets	Elevated street network																												
Boulevard	Main street boulevard surrounding the district																												
Forest	Surface covered by trees (high density)																												
Forest LD	Surface covered by trees (low density)																												
Grass	Surface covered by grass																												
Gravel path by marina	Structure of the marina																												
Motorway	Highway crossing the district																												
Other streets	Space occupied by the pedestrian paths																												
Plots	Space reserved to building construction																												
Unclassified	Unknown landcover																												
Water	Surface covered by water																												
<i>Language</i>	English
