XVI	XIX	2			Does your house consists of one building or more?
XVI	XIX	3		53	What is/are the sizes of buildings? (meters or feet)
XVI	XIX	4		54	How many rooms does the house have?
XVI	XIX	5		55	Is the house large enough for the whole family?
XVI	XIX	5a			can you explain why?
XVI	XIX	5b		55a	can you explain why not?
V	XVIII	6			Do you own the plot?
V	VIII	7	35	60	What materials did you use to build the house? (please list material per phase: foundations, floor, walls, roof, finishes)
		8			In case the family has iron sheets:
XVI		8a			How does the iron sheet roof behave when it rains?
XVI		8b			What is the temperature inside during the midday under the iron sheet roof?
II		8c			How much did the iron sheet roof cost?
VIII	II	8d			Was it expensive?
VIII		8d1			if yes: Are there cheaper alternatives for roof material?
VIII		8d1a			if yes" 1) Which are they?
XVI	VIII	8d1b			How do they behave when it rains?
XVI	VIII	8d1c			How do they behave in full sun?

VIII		9		62	Why did you choose the iron sheets?
V	I	10	40	63	Are those materials locally available (walking distance or by using your own mean of transport)?
V	I,II,VI	10a	40a	63a	if yes: a. Did you have to pay for the materials or are there other ways of collecting/ acquire these materials
XII	XIV	10b	40b	63b	if no: b. Did you bring materials yourself or did you hire somebody to do that for you?
XII	XIV	10c	40c	63c	If both:c. Please answer a+b
V	VI	11		64	Are those materials local natural resources (e.g. mud or straw)or manufactured (e.g. cement, iron sheet)?
II	VIII	12	41	65	Are those materials expensive or cheap, please answer using the following scale? 1-very cheap, 2 - cheap, 3- affordable, 4- expensive, 5- very expensive
XIII	XII,XIV	13	43	66,66a, 67,68,68a,69	Did you build your house yourself? (Please explain per construction phase: foundations, floor, walls, roof, finishes)?
XII		13a		70	if yes: a. Did you have help
XII		13b		70a	From who?
IV	I	13c		70b	What did they help you with?
XII		13d		70c	Was it small or substantial help?
XII	VII	13e	43c		Were the community members able to help you with it? (did they have the necessary skills?)
XII		13f	43a		Did the community members help you with it?
XII	IV	13f1			In which parts did they assist?
IV		13f2		70d	Were these skilled or unskilled tasks
II	V	13g	43d	70f	Did they do it for free or were they compensated?
II	V	13g1	43d1	70g	If compensated: In what form were they compensated? (did you help them in return, did you provide the with meals, did you pay them?)
XIV		13h	43e	70h	if no: h. Did you hire labour?
XIV		13i	43e	70i	Were the workers for all or some of the work?
VIII	V	13j		70k	Why did you hire labour?
VIII	V	13j1	48	70l	If lack of knowledge was the problem: l. Would you have built the house yourself if you would have known how to do it?
V		14	44b&47	71	To what extend do you have the knowledge to build in this way (with this method)?
V	IV, VII	15		72,72a	How and when were you trained to build this way?

II	V	16	47a&b	74,74a	Could you extend or duplicate the house by yourself?
V	VIII,IV	17	48a		Did you help any other community member constructing their house?
V	IV	17a			a. Did you helped the people that helped you?
V	IV	17b			What did you help with, what did you do?
XIX		18		75	Are you satisfied with your current house?
XVI	XIX,XI	18a		75a	if yes: a. What do you like about the house?
XVI	XIX,XI	18b		75b	b. What makes your house special?
XVI	XIX,XI	18c		75c	if no: c. What don't you like about the house?
XIX		18c1			Why don't you like it?
XVI		18c2		75d	What could you change to make it more likeable?
VII		19		76	What does your house have in common with other houses in the community?
XVII		20	44		Did your house already need repairs?
XVI	XVIII	21	44a		What did you need to repair?
XVI		22	45		How frequently do you need to repair the house
XVI		22a			a. Which component(s) need a lot of repair?
V	XV	22b	47a		What type of things/components of the house do you repair yourself?
V	XV	22c	47a		What type of things/components of the house can't you repair yourself
V	IV, VII	23	47	72	Do you know how to repair your house? (walls, floor, roof
XVIII	V	23a			if yes: Do you repair your house yourself?
V,II	XVIII	23b	47b	73a	a. Could you still afford the repairs if you your income got smaller?

XVI	XIX	55	5		Is the house large enough for the whole family? (including the old house if kept)
XVI	XIX	55a	5b		Can you explain why not?
II		56	1a		How did you finance your house - savings, loan or both?
II		56a	1a		what did you finance
II		56b	1a		what did the team finance
XIII		57			What type of the house was built? (earth, bricks, blocks, wood, etc.)
VIII	VII&IX	58			Who decided to build this type of house?
VIII	VII&IX	59			Why?
V	VIII	60	7	35	What materials did you use to build the house? (please list material per phase: foundations, floor, walls, roof, finishes)
VIII	VII&IX	61			Who decided to use these materials?
VIII		62	9		Why was it decided to use these materials?
V	I	63	10	40	Are those materials locally available (walking distance or by using your own mean of transport)?
VIII					Are these the materials the team suggested as most suitable?
V	I,II,IV	63a	10a	40a	a. Did you have to pay for the materials or are there other ways of collecting/ acquire these materials
XII	XIV	63b	10b	40b	Did you bring materials yourself or did you hire somebody to do that for you?
XII	XIV	63c	10c	40c	Please answer a+b
V	VI	64	11		Are those materials local natural resources (e.g. mud or straw) or manufactured (e.g. cement, iron sheet)?
II	VIII	65	12	41	Are those materials expensive or cheap, please answer using the following scale? 1-very cheap, 2 - cheap, 3- affordable, 4- expensive, 5- very expensive
XIII	XII,XIV	66	13	43	Were you at the construction site every day?
XIII	XII,XIV	66a	13	43	Were there other family members at the site every day?(specify who)
XIII	XII,XIV	67	13	43	What phases of the building were you directly involved in? Please explain what you did per construction
XIII	XII,XIV	68	13	43	Do you think you were involved enough into the project of building your house?
XIII	XII,XIV	68a	13	43	Why?
XIII	XII,XIV	69	13	43	What phases were your family members involved in? Please explain per construction phase
XII		70	13a		Did you have help from your family, friends or the community?

XII		70a	13b		From who? Please list everyone
IV	I	70b	13c		What did they help you with? Please list per phase
XII		70c	13d		Was it small or substantial help?
IV		70d	13f2		Were these skilled or unskilled tasks
VI	IV	70e			Did the team teach the community members new skills?
II	V	70f	13g	43d	Did the community members help for free or were they compensated?
II		70g	13g1	43d1	In what form were they compensated? (did you help them in return, did you provide them with meals, did you pay them?)
XIV		70h	13h	43e	Did you hire any labour?
XIV		70i	13i	43e	Were the workers for all or some of the work?
XIV		70j			Was it skilled or unskilled labour?
VIII	V	70k	13j		Why did you hire labour?
V	VI	70l	13j1	48	Did the team offer that missing knowledge to you or your family members?
V	IV, VII	71	14	44b&47	To what extent do you have the knowledge to build in this way (with the chosen method)? 0 - unknowing, 1- beginner, 2- familiar, 3- proficient, 4- expert, 5-teacher
V	IV, VII	72	15,2	47	Did the team train you (and/or family members) to build this way?
V	IV, VII	72a	15		Please specify:
XVIII	v	73	23,2	47	Do you know how to repair your house?
V,II	XVIII	73a	23b	47b	Could you still afford the repairs if your income got smaller?
V	XVIII	73b	23c	47c	Do you need to hire somebody to do it for you?
XVIII	II	73c	23d	47d	Can you afford that?
II	XVIII	73d	23f	47e	Could you still afford the repairs if your income got smaller?
V	XVIII	74	16	47A,47B	Could you extend or duplicate the house by yourself (with the family and community)?
XVIII		74a	16	47A,47B	Please specify what you can't do
XIX		75	18		Are you satisfied with your new house?
XVI	XIX,XI	75a	18a		What do you like about the house?
XVI	XIX,XI	75b	18b		What makes your house special?
XVI	XIX,XI	75c	18c		What don't you like about the house?

XVI		75d	18c2		What could you change to make it more likeable?
V	XVIII	76	19		What does your house have in common with other houses in the community?
V,VI	II	77	24		How much did the whole house cost?
V,VI	XVIII	78	38a& 48		Looking back at the project and the realized house could you have realized this house without the help of the team? Please explain why?
