

# YOUR PROPOSAL

## Title

*Let's give it a title!*

## Your name

*What is your name?*

## Building blocks

*Which components do you combine?*

**1**

green-spaces

**2**

satellite imagery

**3**

street-level imagery

**4**

blue-spaces

**5**

houses

**6**

schools

**7**

play-spaces

**8**

neighbor-hoods

**9**

pedestrian streets

**10**

bicycle streets

**11**

traffic & railways

**12**

sidewalk space

**13**

citizens' perceptions

**14**

visual perceptions

**15**

expert audits

**16**

children's voices

**J**

something else.....

## Principle

*What is the basic idea?*

## Scale

*On what scale do you need it to be?*

## Visual

*Can you sketch it?  
Or make a diagram?*

## Title

Let's give it a title!

# Vegetated homes

## Your name

What is your name?

Roos

## Building blocks

Which components do you combine?

1 green-spaces	2 satellite imagery	3 street-level imagery	4 blue-spaces
5 houses	6 schools	7 play-spaces	8 neighbor-hoods
9 pedestrian streets	10 bicycle streets	11 traffic & railways	12 sidewalk space
13 citizens' perceptions	14 visual perceptions	15 expert audits	16 children's voices
J something else.....			

## Principle

What is the basic idea?

Vegetation should be present around every single house in the country! I want to see if it is...

## Scale

On what scale do you need it to be?

street | neighborhood | city | country | world

## Visual

Can you sketch it?  
Or make a diagram?

## Title

Let's give it a title!

# Walking to the park

## Your name

What is your name?

Roos

## Building blocks

Which components do you combine?

1 green-spaces	2 satellite imagery	3 street-level imagery	4 blue-spaces
5 houses	6 schools	7 play-spaces	8 neighbor-hoods
9 pedestrian streets	10 bicycle streets	11 traffic & railways	12 sidewalk space
13 citizens' perceptions	14 visual perceptions	15 expert audits	16 children's voices
J something else.....			

## Principle

What is the basic idea?

All people should be able to reach a park within a 10-minute walk from their home, is that the case?

## Scale

On what scale do you need it to be?

street neighborhood **city** country world

## Visual

Can you sketch it?  
Or make a diagram?
